#### **LASIK MD Brings Affordable, world-class laser vision correction to Kitchener-Waterloo region**

Kitchener, ON, Dec. 15 - LASIK MD, Canada's only national provider of laser vision correction is pleased to announce the opening of its newest clinic in Kitchener, Ontario located at 101 Frederick St, Ground Floor (Frederick Tower). The clinic, the company's 22<sup>nd</sup> and eighth in Ontario, opened its doors last week to allow residents in the Kitchener-Waterloo region to benefit from LASIK MD's highly experienced surgeons and affordable pricing.

"Kitchener-Waterloo residents no longer have to travel long distances to receive affordable, high quality laser vision correction", says Dr. Mark Cohen, LASIK MD's president, co-founder and co-national medical director.

LASIK MD's team of professionals offer free consultations and recommend treatment options to eligible candidates that are best suited to their needs. A comprehensive eye examination is conducted, using state-of-the-art diagnostic equipment to determine if the patient is an eligible LASIK candidate. Procedure prices start at \$490 per eye, with multiple financing options available. All are backed by the LASIK MD lowest price guarantee and a "20/20 or it's free" commitment.

The Kitchener-Waterloo clinic is staffed with a team of experienced professionals who specialize in providing eye care. "We are pleased to have well-known, highly experienced surgeons working with us in Kitchener-Waterloo, including Dr. Omar Hakim and Dr. Nimesh Desai", says Dr. Avi Wallerstein, the company's co-founder and co-national medical director.
