LASIK MD brings affordable, world-class laser vision correction to Vaughan, Ontario

Vaughan, ON, June 1 - LASIK MD, Canada's only national provider of laser vision correction, is pleased to announce the opening of its newest clinic in Vaughan, Ontario, at 255 Bass Pro Mills Drive (The Village at Vaughan Mills). The clinic, the company's 22nd in Canada and ninth in Ontario, opened its doors last week. "Greater Toronto residents can now choose from four conveniently located LASIK MD clinics, where they will benefit from high quality, affordable laser vision correction", says Dr. Mark Cohen, LASIK MD's president, co-founder and co-national medical director.

LASIK MD provides free consultations to anyone interested in having laser vision correction. A comprehensive eye examination is conducted, using state-of-the-art diagnostic equipment to determine if the patient is an eligible LASIK candidate. LASIK MD's team of professionals will consult with candidates and recommend treatment options best suited to their needs. LASIK MD prices start at \$490 per eye, with multiple financing options available, and are all backed by the 'LASIK MD Lowest Price Guarantee' and a '20/20 or It's Free' commitment.

The Vaughan clinic is staffed with a team of experienced professionals who specialize in providing eye care. "We are pleased to have well-known, highly experienced surgeons working with us in Vaughan." says Dr. Avi Wallerstein, the company's co-founder and co-national medical director.
